

Complete Confidence. Complete Compliance.

We take the complex employment eligibility verification process and simplify it while ensuring you are fully compliant. As the only comprehensive, electronic I-9 and E-Verify solution on the market, we protect you and your company with a web-based solution that covers every possible risk — delivering complete confidence that your I-9s will stand up to any test.

Clear

We provide a clear, easy-to-use, web-based software solution that guides you step-by-step in filling out the I-9 and using E-Verify. We double check your work and instantly identify any errors or missing information, [so it's virtually impossible to make a mistake.](#)

Comprehensive

Competitive software only lets you create I-9's for new hires. We go the extra step to cover all your responsibilities - existing employees, vendors, and subcontractors.

Confident

What we deliver most of all is confidence and peace of mind. Since we take care of every step in the process and double-check every detail, you can be confident that you are fully compliant, with no errors or omissions that can result in fines and penalties.

What's at stake?

- [Fines](#) - for incorrect I-9's or the hiring of unauthorized workers range from \$100 to thousands of dollars per employee.
- [Time](#) - defending, reviewing and auditing I-9s during an ICE investigation requires an extensive amount of time and energy.
- [Legal consequences](#) - can be severe. Criminal charges may be filed and the negative publicity can harm your company's reputation.
